A photograph of two men in a modern industrial facility. One man, wearing a dark suit, is pointing at a tablet held by the other man, who is wearing a light blue shirt and jeans. They are standing in a narrow aisle between rows of large, white industrial machinery. The background is slightly blurred, emphasizing the two men and their interaction.

A smiling man with glasses on his head, wearing a light purple shirt, is sitting at a desk in an office. He is looking towards the left of the frame. In front of him is a laptop. To his right is a blue filing cabinet with a white paper holder. The background is a blurred office environment with a window and some charts on the wall.

THANK YOU.
